# NOTES FROM THE PRESIDENT

By John Schuricht

As many of you have seen there is a newer, fresher website up and running. I would highly recommend that you go to the site if you haven't. Included on the web site is the channel 10 news interview they did with us, at Carmel Highland Golf Course. This site will be refined over the next several months. If you see anything that doesn't look right or you have any ideas that would make the website better, please email me at [john@anscv.com](mailto:john@anscv.com). It's extremely important that we use the coupons that the golf courses are providing. Over the last few months you might have noticed that we have had many more prizes given out. This is due to the golf course advertising on our web site. I barter with them for golf vouchers, which we use as prizes, so they don't have to pay anything to advertise on the site. Now we can recognize more winners in each tournament! I'm currently working with one restaurant that will be advertising on the web site, sometime in the next two months. Their grand opening will be sometime in late June or early July. I'm hoping to get more, but this is still being developed.

**Over the past several months I've been passing out cards promoting the web site in the Chula Vista area. These cards are very simple. All they have on them is our logo, coupons and the website address. The statistics for the website show most of the activity in the Chula Vista area. I need volunteers that play other golf courses in other areas to help out in passing out the cards. This way the website will get more activity in other areas and it will make it easier for me to get other golf courses to advertise on the web site.**

*Notes, continued*

**If you can help, please call 619-421-4042 or email [john@anscv.com](mailto:john@anscv.com). Let me know where your located and I will get some cards out to you.**

One of the commitments I made when I became president is to increase the membership. In the past few months we have experienced a nice increase of 16 new members in our membership numbers, but we need for this growth to continue. It's very difficult for any one individual to do this on their own. So I would like each and every one of you to actively talk to and encourage anybody you know that might be interested. Invite them to one of our tournaments. Please let me know who they are when they come to play with us, so I can welcome them personally.

**I want to thank all of the members for the effort put forth in filling out the score cards correctly. Way to go!**

## WEBSITE UPDATE
